

Experience

Senior Product Designer

Equaleyes, Slovenia (Hybrid) • 2024 - Present

Guided a small design team on a digital banking project while focusing on improving the mobile app for 500,000 users. Ensured customer satisfaction by addressing feedback and drove innovation by applying the latest market trends and best practices.

Senior Product Designer

nChain, United Kingdom (Remote) • 2022 - 2024

Led product design for a top-rated digital bank, enhancing UX and introducing new features. Directed rebranding and brand transformation, contributing to multiple awards, including Best Digital Bank in Slovenia for two consecutive years.

Product Designer

Equaleyes, Slovenia (Hybrid) • 2021 - 2022

Developed mobile and web product designs for internal and client projects. Applied design thinking, responsive design, and prototyping to create intuitive, user-centered digital solutions.

Graphic and Product Designer

Freelance (Remote) • 2019 - 2021

Created custom, end-to-end graphic, UX/UI, and concept designs for individuals and small businesses, including websites, online shops, print materials, and prototypes.

Graphic Designer

Skaza, Slovenia (On-Site) • 2017 - 2019

Designed promotional materials, product packaging, and corporate documentation, strengthening brand presence and supporting new product launches.
